

- Staging Camp / Base camp in OPP jurisdiction - understand what that looks like

- move forward with integrated piece

- officers coming in from OPP - not

* getting involved in enforcement
fully deployable asset > Not just a traffic point → need to lay charges → exercise full authority under law.

* Address at Briefing

- Scale of Leadership - JFO

Prov / Fed / Local.

- Police support to Ottawa

* Align Federal Emergency Act to Communication

* → Inventory of special const's for security measures at locations

→ Assign Prov Crown for oversight to Regional Crown.

1100 RC Cell

- Resources - Special const's

- OPS plans with ext. teams for each border crossing

- Federal Emergency Act - Tools

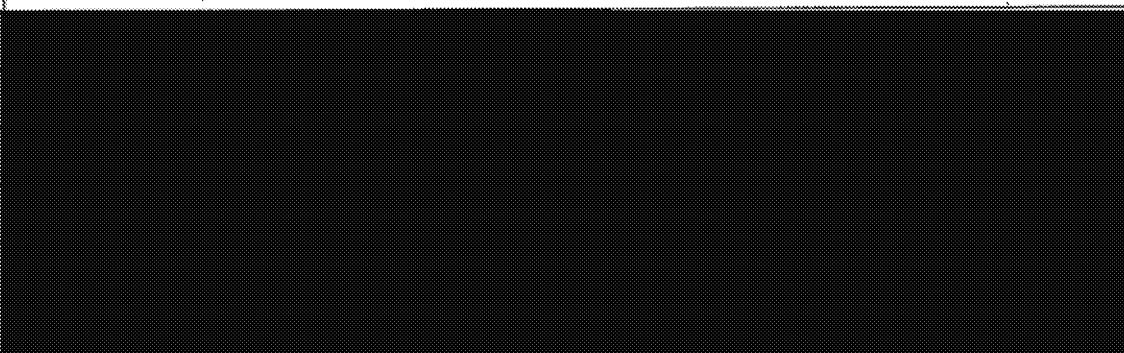

- Staffing for the week + changes - preparing

- JFO - Criminal org.

Requester we look at stand by
pay at detachment - 20 individuals
that can be called in immediately
to work full time - people not
answering their phones that can off
- only pay those that report for duty.

ITP Process -> can we enroll
many candidates operational.

Advise we will be opening -
tractors being removed by
protestors in fear of losing them
as part of emergency act.

Advise by Carson - OPS proceeding
Wednesday with enforcement in
a protest group - splinter group
area of Nichols/Wheller St's
10-15 people - several trucks
- supported by PWT
- issue being this plan was done in
Sico to integrated group
lack of communication - Deputy Ferguson
at OPS was also not aware of
enforcement action

- Dave Springer part of planning
- Need to have Springer reporting daily into PMOY from what is being planned
- SLOAN is reported to be doing a media session tomorrow with what he is going to say
- OPS Corp cannot only them at that time yesterday + zone
- Crown issue in Ottawa - OPS advise they will deal with it have a good relationship + don't need that to be effected.

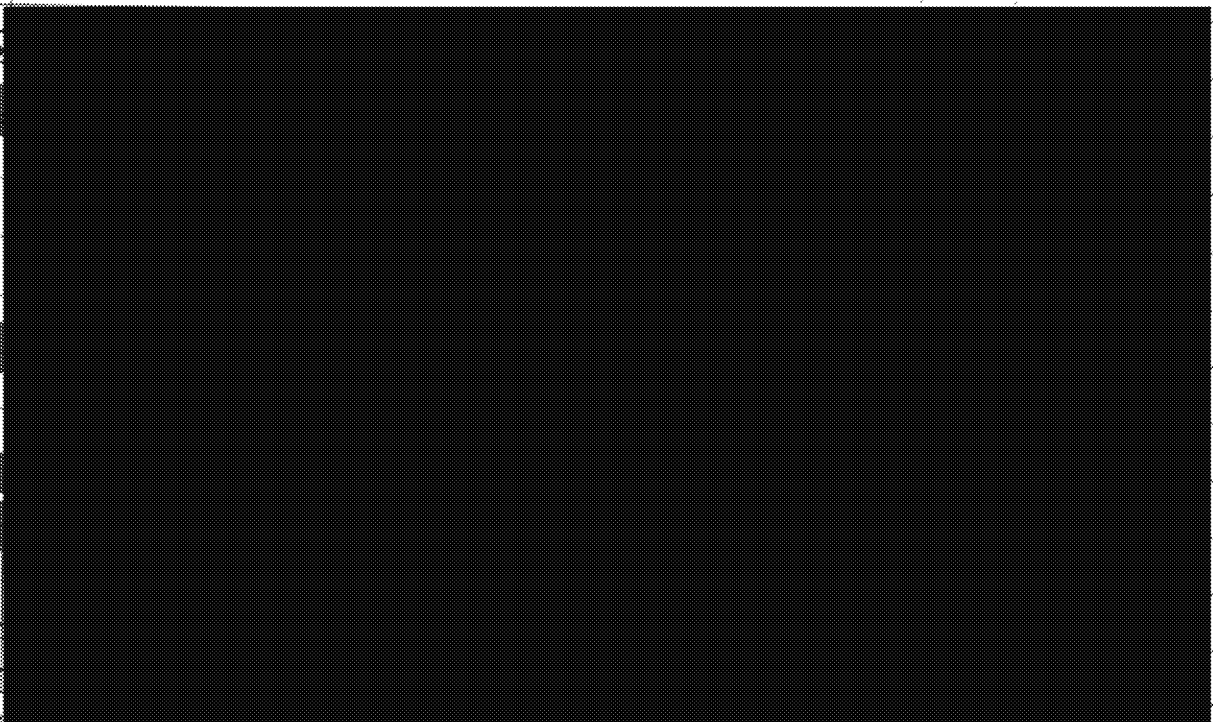

Brief Commission on Wednesday enforcement action being planned the POU Detroit required Not planned by integrated team but team pivoting to do it + support.

Challenge continue between Chief SLOAN + Integrated Team planning beginning in isolation to team + agreed upon integrated plan.

10 FEBRUARY 22 Friday
 ORO on Duty. Deputy Field Operations GTH
 meet with Canon ref request to participate with PSB meeting operational update
 -Commissioners also part of discussions

- even though integration team has refused/declines to go this morning we may want to reconsider
- agree to "in camera" briefing to PSB.
- Pwn. PT with high level overview of plan.
- unified approach with Ferguson/Pandey/Leica.
- Carson advises the team is continuing to struggle as since from our one meeting with Chief Stoley direct which keeps the integration team out of the loop. - very challenging to plan
- Want to support + will support tomorrow's actions as its required.
- Commission will share the "MORDAN Report" from GAO w/ parameters for briefing PSB boards on operations

A document page with multiple horizontal black redaction bars covering the text. The bars are of varying lengths and are placed across the page, obscuring the underlying content. The text is mostly illegible due to the redactions.

1030 Call with Commissioner & planning team

- still no unified Command
- still struggling with Comm's plan
- goals that were set for today all went out window with SLOKEY plan of action tomorrow
- another pivot by team
- The need to use the emergency order to prevent further protests coming in.
 - Lock down
 - No Bussing into location
 - Strong communication out
 - take some risk ref action
- During meeting someone Chief SLOKEY may have stepped down to be calmer.

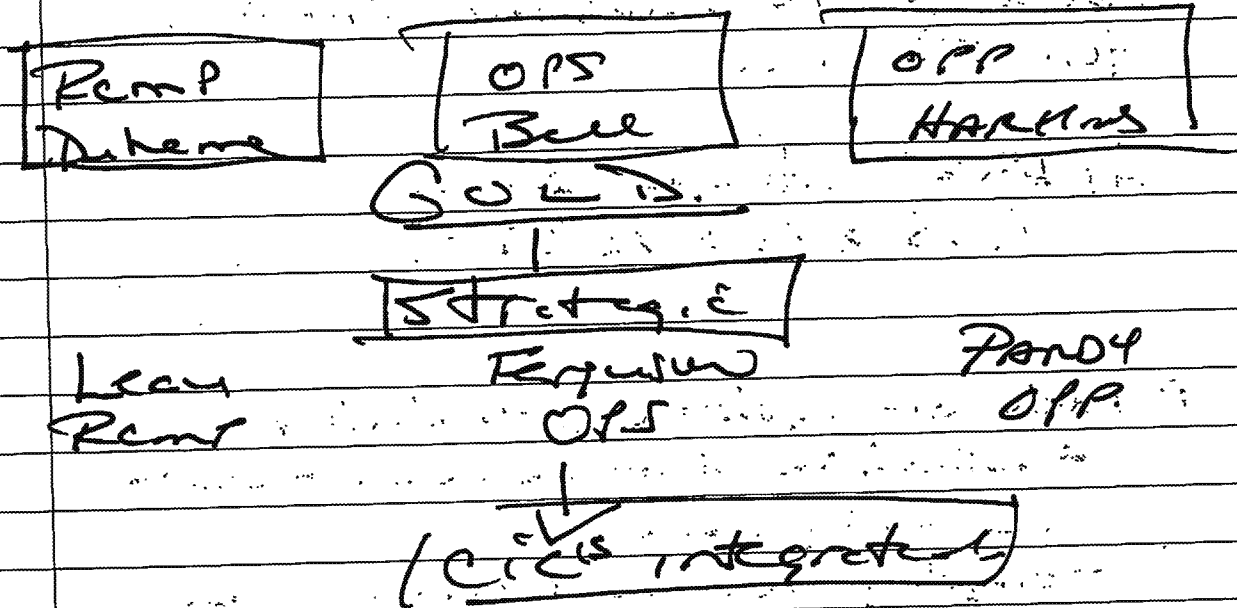

Follow up meeting with Randy

- focus on plan to lock down city much like Toronto
- Strong POT engagement 7 got some to leave & that that want to leave out
- Communicate out those leaving.

- Confirmers Slack 7 stepped down.
- Bill Acting Ch of.
- try to reset for unified command fully integrated

Command + Control.

- towing - fire Currie to smoke removal - Coord. water approach.

- #1's required to hold city. 400 OPP initial.

* ensure interior infrastructure is conserved

- Hospitals
- Bank of Canada

* Provincial & Nat rel Pop up locations

- ④ Require 24hr objectives/mision
- results
 - next steps

Prov Fleet Coordinator

Letter to the municipal chief
for #5 cvl.

A/Chief Steve Bell

- offer of assistance - ministry
- authorities that we need + don't currently have
 - anything we need resource wise
 - PLT Plan with updated emergency order x 2. PROV/PROV
- Rece - Zones identified - what are they
what are the plans per zone
leverage emergency act
- 12 + 24/36 objectives for the team
 - mayor - chief of staff
 - asking about 1800#
 - only managing from city/PROV/FEDS that they need.

1555 Formal act from OPP
SA - 3 sections

1600 Re cell. staffing

Tonight

Oakville - 3 Buses } 100 tonight

North Bay - 1 Bus } for night
tomorrow night

Tomorrow

200

Central - 5 Buses } 200

Aurora - 1 Bus } for days

NR = 2 Buses Thursday

1700 Departs for Ottawa.

2200 off duty. Ottawa

16 February 22 Wednesday
on Duty, Deputy Field Operations
Camp Hq. - Briefing
- stabilization phase
- action phase
- maintenance phase

0930 ~~at~~ Commissioner call

- updates on plan

- Commissioner

* - OACP call 2pm - timing

- PLT messaging - immediate consequences
vehicles, crew etc.

- EA fees

- CC

- Updates - Spec A - for Commissioner

- PCT

- action. take

- next steps

* - Victory to speak of each day
small as they want.

to provide Govt.

- not to have to find what is happening

* - Fortitude Sr. officer - do we include
all services

- Small municipal services that want
to send officer but no financial
ability to send - Commissioner closes
Province will pay for salary/000\$
for deployment to Ottawa

Spoke with market Board re PCT
updates

* advises received a message from
Dm Public Safety Council to meet at
3 pm today - indicates the Dm

we were going involving that part
summarize to tomorrow.

- Not supportive - to far into
operational planning + mission.
now of emergency order to action
+ can't have further delay
with negotiation that may happen
too late to do that.

1300 Pz Daily - Prov Perspective

East

550 OPP on ground per day
- 4 Buses last night
- 5 Buses today

* Need to follow up reference
municipal services wanting to
assist + send members

2 PLT Fliers - require updated
view for all across province

West

310 Frontline - Windsor
